Geranium – Crispum ANGEL EYES® Series

The smallest of the Regal types is anything but timid. ANGEL EYES® are extremely floriferous, displaying unique pansy-faced flowers with vivid markings that bloom beautifully all summer. Bushy and naturally compact, they have no need for PGRs and require less water and fertilizer than standard Geraniums. Growing cool for the final one-third of the production cycle will improve quality, though no cool treatment is needed under high light conditions.

ANGEL EYES BICOLOR^{PP} (*pacbicolor*)
Mid-April flowering. Compact growth.

ANGEL EYES BURGUNDY^{PP} (*pacburg*)
Mid-April flowering. Compact growth.

ANGEL EYES BURGUNDY RED^{PP} (*pacbured*)
Early-April flowering. Compact growth.

ANGEL EYES LIGHT PINK^{PP} (*paceyes*)
Late-March flowering. Very compact growth.

ANGEL EYES ORANGE^{PP} (*pacorio*)
Early- to Mid-April flowering. Compact growth.

ANGEL EYES PICOTEE^{PP} (*pacra*)
Early-April flowering. Compact growth.

Geranium – Grandiflora ARISTO® Series

The next generation of Regal Geraniums has arrived, with a strong bud count and non-brittle foliage (for easier shipping). ARISTO® varieties flower earlier than standard types, so your customers won't wait long to enjoy a phenomenal range of colors and patterns. And as a cool crop, they require less heating than standard Geraniums.

Angelonia pac ADESSA® Series

The Angelonia ADESSA® series is another innovation in breeding we're pleased to bring to the US market. They're the first to combine larger, vividly hued flower spikes on strong stalks with a well-branched, compact habit. Healthy, ever-blooming and heat-loving, they bring color and vertical interest to containers, window boxes, beds and borders.

PAC ADESSA BICOLOR^{PP} (*adebic*)

Fresh summer blue and white flowers, very early to early flowering, medium growth.

PAC ADESSA BLUE^{PP} (*adeblu*)

Light blue flowers, very early flowering, medium growth.

PAC ADESSA DEEP BLUE^{PP} (*adedeblu*)

Intense blue flowers, very early flowering, compact growth.

PAC ADESSA PINK^{PP} (*adepin*)

Medium pink flowers with dark pink centers, medium growth.

PAC ADESSA PURPLE^{PP} (*adepur*)

Deep violet flowers, early flowering, medium growth.

PAC ADESSA WHITE^{PP} (*adewit*)

Pure, pristine white flowers, early flowering, medium growth.
